Now, ministers will be the presidents of corporations and boards

Consensus reached in informal cabinet

Administrative correspondent, Bhopal

The leaders waiting for political appointment in corporations and boards in the state may have to wait longer. Now, instead of the top officer of the department, the departmental minister will be the president in the corporations and boards of the state. This system is being implemented in all the corporations and boards from Tuesday itself.

Consensus has been reached in this regard in the informal cabinet on Tuesday. Actually, after the tenure of the chairman and vice-chairman ended in the corporations and boards, the state government had hand-ed over the responsibility of the president to the Principal Secretary and Additional Chief Secretary of the department, which is now being changed. That is, the minister of the department of which corporations and boards will be there, will be the president.

Proposal to increase MSP of soybean

The falling prices of soybean in the state and then the resentment of the farmers arising from it has in-creased the government's concern. The price of soybean has fallen to Rs 3200 per quintal. In view of such a situation, the state government is now preparing to send a proposal to the central government to increase the MSP of soybean to 4800, soybean can also be pur-chased from farmers at this MSP. This decision was taken in the informal cabinet. However, the Center has already fixed the MSP of

soybean at Rs 4894 per quintal.

Swachhata Hi Seva campaign

The Swachhata Hi Seva campaign will start from September 17, the birthday of Prime Minister Narendra Modi. During this campaign, the state government will launch the slogan 'Cleanliness in nature and cleanliness in sanskar'. During this, such places in vil-lages and cities will be identified where there is always dirt. A special campaign will be run in such dark spots and they will be cleaned. Facilities like parks or citizen corners will be developed here. During the campaign running till October 2, the minister in charge will start this campaign in the districts under his charge. Chief Minister Dr. Mohan Yadav has given instructions to the ministers in this regard on Tuesday.

Govt trying to revive bidi industry

The government has started efforts to revive the bidi industry in the state once again. Actually, Madhya Pradesh has the best quality tendu leaves, which are usually sent to West Bengal. A large number of Bangladeshi infiltrators work in the bidi industry here. Now instead of sending them to Bengal, the government is in the mood to develop the campaign of making bidis from tendu leaves in the state itself as a cot-tage industry, so that employment opportunities increase at the local level.

Digvijay-Kamal Nath will be seen together

Soon, a change will be seen in Congress due to Kisan Yatra organized on 20th September

Venkat Vijay, Bhopal Very soon a new change will be seen in Madhya Pradesh Congress. Congress chief Jitu Patwari has indicated this change. It is said that two big leaders of Congress Digvijay and Kamal Nath will be seen together in the Kisan Yatra starting from 20th September.

If Congress sources are to be believed, the infighting between the party leaders is not hidden from anyone. This was seen in the recent assembly and Lok Sabha elections. Bharatiya Janata Party also took a good step and included many senior leaders of Congress in its family. Its results were also good. On the other hand, the process of blaming each other for the defeat in Congress has been going on for a year, but just a week ago Kamal Nath was called by the Delhi high command, where after meeting Rahul Gandhi many speculations started.

Kamal Nath can come

power: Meanwhile, speculations are being made that the Congress high command can give the post of national general secretary to Kamal Nath. But now it is clear from Patwari's statement that Kamal Nath is going to be active with full power in Madhya Pradesh, not Delhi. At present, Con-gress wants to give a mes-sage of unity in the state through the Kisan Yatra through the Kisan Yatra with Kamal Nath and Digvijay Singh. The party has been holding demon-strations and Dharnas under the leadership of Patwari for the past months, but the absence of senior leaders was seen. In such a situation. seen. In such a situation, the presence of the above two senior leaders together is necessary to show

the party as strong. Now both senior

Tractor stuck on track Loco pilot stops train by applying emergency brakes

Chronicle Reporter, Narmadapuram

A tractor got stuck on the railway line near Guramkhedi of Itarsi-Jabalpur railway section in Narmadapuram district. At the same time, it was the time of arrival of the Somnath Express.

Due to the presence of mind of the loco pilot, a major accident was averted. There is no railway crossing at the place where this in-cident happened, then how did the tractor driver take such a big risk?

After the incident, two trains Somnath Express and Danapur Express had to be stopped. The railway gate is about two kilometers away from where the tractor

driver was crossing the railway line. Many times tractor drivers cross the track risking their lives in the pursuit of a shortcut.

When Somnath Express was go ing from Itarsi to Jabalpur, its loco pilot saw a tractor stuck on the track. He immediately reduced the speed and stopped the train and informed the control room.

To alert the driver of the other train Danapur Express, which was coming on the same track, firecrackers were burst 1 km before on the track, due to which its pilot stopped the train by applying emergency brakes.

Due to this incident, railway

Capital gets gift of Chhola flyover

Minister Sarang held a meeting with PWD officials.

Two lakh passengers will benefit from this flyover

Chronicle Reporter, Bhopal

The capital's Narela assembly constituency has got the gift of another flyover. This will be Bhopal's first and longest flyover, which will cross two railway lines Indore and Vidisha track. This flyover will be built from Ganesh Temple Chhola Road through Khedapati Hanuman Temple to Nishatpura Station.

The above information was given by Cooperation Minister Vishwas Kailash Sarang in a meeting held on Monday in Narela Assembly regarding the construction of Chhola flyover under Khedapati Hanuman Corridor of Bhopal. He instructed the PWD officials to prepare a detailed action plan and start the construction work of the flyover soon.

About three lakh people will benefit

Minister Sarang told reporters that currently those going to Vidisha, Bhan-pur Chauraha and Khedapati Hanuman Temple have to go through two Dwarka Nagar underbridges. Big vehicles are unable to pass through these underbridges. Therefore, they have to take a detour via Nadra, Station Overbridge. With the construction of Chhola flyover, about three lakh passengers from Bhopal station to Chhola and surrounding areas will benefit. He said that with its construction, the traffic jam situation on Chhola underbridge will end. Also, travel from the old city to the new city will become easier. This huge flyover will pass over the Khedaapati Hanuman Lok Corridor. The special thing about this flyover is that it will be in the form of an arch. The flyover will be constructed from Kali Parade near

Ban on appointment cancellation order

Bhopal: On the instructions of the Madhya Pradesh High Court, the DPI Commissioner on Monday issued a new order and put a stay on the order of the DPI Director regarding the cancellation of the appointment of primary teachers. These primary teachers said that on August 28, the DPI Director had given instructions to terminate the service of B.Ed degree holder primary teachers. After hearing the

petition of primary teachers troubled by eviction,
