Court postpones verdict on 'shivling' worship to Nov 14

Varanasi (UP): A fast track court on Tuesday postponed till November 14 judgement on a plea seeking permission to allow worship of a 'shivling' claimed to have been found in the Gyanvapi mosque complex.

As the civil judge (senior division) of the court Mahendra Pandey is on leave, the court posted the matter for November 14. Assistant District government counsel Sulabh Prakash said.

After hearing arguments of both the sides, the court had on October 27 reserved its order on the suit for November 8.

On May 24, plaintiff Kiran Singh, who is general secretary of the Vishwa Vedic Sanatan Sangh, had filed the suit in the Varanasi district court seeking a ban

GYANVAPI MOSQUE COMPLEX CASE

on the entry of Muslims into the Gyanvapi complex, handing over the complex to the Sanatan Sangh and permission to offer prayers at the 'shivling'. On May 25, district court Judge A K Vishvesh had ordered the transfer of the suit to a fast track court. PTI

India, France to conduct military exercise in Jodhpur, recce in IOR

Robust Partnership Aimed At Improving Interoperability

Rajat.Pandit@timesgroup.com

New Delhi: India and France are now set to undertake a joint maritime surveillance mission in the southern Indian Ocean Region (IOR) as part of their robust strategic partnership, even as their air force chiefs took to the skies in fighters during the ongoing 'Garuda' air combat exercise in Jodhpur on Tuesday.

Officials said a P-8I long-range maritime patrol aircraft of the Indian Navy has touched down at the strategically-located La Réunion, a French overseas island east of Madagascar and southwest of Mauritius, for coordinated surveillance and ocean-mapping operations with the French Navy "to further enhance maritime domain awareness, security and safety in the southern IOR".

Navy's P-8I maritime patrol aircraft arrives at La Reunion on Tuesday ANI

This becomes important with China, which has the world's largest Navy with 355 warships and submarines, actively scouting for logistical facilities in the IOR after establishing its first overseas base at Djibouti on the Horn of Africa in 2017.

Concurrently in the ongoing seventh edition of the bilateral Garuda exercise at Jodhpur, Air Chief Marshal V R Chaudhari flew in a twin-seat Rafale jet, while French Air and Space Force (FASF) chief General Stéphane Mille undertook a sortie in a Sukhoi-30MKI on Tuesday.

Stressing it was important to learn how to interoperate with friendly nations, the IAF chief said air power will play a very vital role in deciding the outcome of any future conflict.

India has inked reciprocal military logistics pacts with France and other countries like the US, Japan, Australia, South Korea and Singapore to enhance its strategic reach in the IOR to counter China's expanding footprint in the region.

The two countries have forged expansive defence ties across all domains, including maritime security, counter-terrorism, information-sharing, aerospace and defence-industrial collaboration.

HC sets aside order on Cong Twitter handles

Bengaluru: In a big relief to Congress, the Karnataka high court on Tuesday set aside an interim order passed by a city civil court directing the blocking of Twitter handles of the party and its Bharat Jodo Yatra over alleged unauthorized use of music from movie 'KGF: Chapter 2'.

A division bench headed by Justice G Narendar passed the order after appellant Congress undertook that it would remove the offending content from their social media platforms by Wednesday.

Partly allowing the appeal, the division bench said the matter is sent back to the civil court and the order passed by it will not come in the way of the plaintiff exercising its right over alleged copyright violation.

The lower court order is subject to the Congress party removing the offending content before noon on Wednesday

Earlier, appearing for Congress, senior advocate Abhishek Singhvi argued that these parts of order has been issued without recording any urgency, as required.

Admitting that the playing of the 45-second music of 'KGF: Chapter 2' film was a mistake, Singhvi, however, termed the order of the civil court "disproportionate". The suit was filed on November 2 and, within a few days and without issuing notice, the interim order has been passed, he told the court. TNN
