# Dhami seeks Gadkari's approval for various road projects

PNS ■ DEHRADUN

hief minister Pushkar ✓Singh Dhami met the Union minister for Road Transport and Highways, Nitin Gadkari in the national Capital on Thursday and sought action on various important road projects in the State. Dhami sought a notification on the approval in principle granted in 2016 for upgrading six roads in the State to national highways. These include Khairna-Buakhal-De-Ranikhet, v p r a y a g , Devprayag-Gaja-Khadi, Pan-dukhal Nagchulakhal-Baijron, Biharigarh-Roshnabad Lakshmanjhula-Dugadda-Mohaan-Ranikhet roads. He also requested that 256.90 kilometre Khairna-Ranikhet-Bhatronjkhan-Bhikiyasain-Deghat-Mahalchauri-Nagchulakhal-

Kumaon should also be notified as a national highway. Dhami said that notifying this road as a national highway will enhance tourism activities in Kumaon and Garhwal regions while also facilitating economic development in the region. This road will also link four Vidhan Sabha constituencies including Nainital, Ranikhet, Salt, Karnprayag and Thalisain. The CM also requested Gadkari to notify the 189 kilometre long Kathgodam-Bhimtal-Dhanachuli-Mornaula-Khetikhan-Lohaghat-Pancheshwar motor road as a national highway.

Seeking Gadkari's action in another important plan, Dhami requested that the stretch from the Mohkampur ROB to Ajabpur ROB (Vidhan Sabha Chowk to Mohkampur) should be converted into an elevated road. He said that this project is estimated to cost Rs 452 crore. This project should be included in the annual plan for 2024-25, Dhami said. He said that the construction of the 51.59 kilometre Dehradun ring road is proposed considering the rising load of vehicles in Dehradun city. The NHAI is currently undertaking the work with the construction of a 12-kilometre four-lane road from Asharodi to Jhajhra underway. The alignment of the remaining work and preparation of the detailed project report is being undertaken. Seeking approval for the remaining works, Dhami also sought approval from Gadkari for 17.88 kilometre Rishikesh bypass road estimated to cost Rs 1,432 crore. The Union minister gave his

assent to these proposals.

Informing Gadkari about the rising traffic load between Dehradun and Mussoorie, Dhami also sought approval for the connectivity the 40-kilometre Dehradun-Mussoorie road, stating that this will help in providing additional connectivity between the two cities. In addition to the Delhi-Dehradun expressway, the traffic from Himachal Pradesh, Punjab and other places will be able to use this road to reach Mussoorie without entering Dehradun, preventing unnecessary congestion in the provisional State capital. The CM also sought the Union minister's approval and cooperation for various other road projects in different parts of the State during their meeting.

## **UPES** launches BTech courses to equip students with engineering skill & knowledge

Bungidhar-Bainjro

which connects Garhwal and

 $\Gamma$ ocused on developing practical problem solving capacity and creative thinking, UPES has launched engineering courses to equip students with the skills and knowledge to tackle the complex challenges of the modern world, the university's office bearers said. They further said that UPES is offering specialised B Tech programmes in cutting-edge fields such as Artificial Intelligence, Cyber Security and Cloud Computing, equipping students with the skills needed in the rapidly evolving tech industry and integrating industry-relevant curricula, hands-on projects and interdisciplinary research opportunities. This aside, UPES offers comprehensive B Tech courses in both traditional and contemporary disciplines, ensuring a wellrounded engineering education. Students can delve into fields of Mechanical, Electrical and Civil Engineering, gaining a solid foundation in essential engi neering principles and practices. Additionally, UPES embraces the future of engineering with specialised programmes in Aerospace Engineering where students learn about the design and development of aircraft and

#### **Truecaller launches Fraud Insurance in partnership** with HDFC ERGO

PNS DEHRADUN

 $T^{
m rue}$  rue caller, in collaboration with HDFC ERGO, announced on Thursday the launch of Fraud Insurance, an initiative aimed at providing enhanced protection to consumers against digital communication frauds in India. Senior officers of the communication company said that the offer of this insurance is in line with their commitment to combat fraud and ensure user protection through advanced app features - before, during and after mobile com-As per a recent report by the Indian Cyber

Crime Coordination Centre, digital financial frauds accounting for INR 1.25 lakh crore had been committed over the past three years. The Fraud Insurance product provides coverage up to INR 10,000 to Android and iOS users across India. The product is available to yearly premium subscribers of Truecaller and all existing customers can avail this protection for free under their existing

plan. Lauding the launch, the chief product officer and MD, India, Truecaller Rishit Jhunjhunwala said that this insurance is meant to empower users with the peace of mind they deserve in today's complex digital landscape.

### **UPCL** appeals people for necessary precautions against electricity accidents

PNS DEHRADUN

 $T^{\text{he Uttarakhand Power Corporation Limited (UPCL)}}_{\text{has urged consumers to take necessary precautions to}}$ prevent electricity accidents during the rainy season. The UPCL managing director Anil Kumar urged all consumers to take necessary precautions to prevent electricity-related accidents during the rainy season. He advised people to refrain from touching electricity poles, avoid tying cattle to them and to refrain from organising any activities under power lines whenever possible. Additionally, maintaining a safe distance between power lines and new buildings is recommended. If an electricity pole is located on a field embankment, ploughing should only be done while ensuring a proper distance is kept, he added. He further emphasised the importance of promptly informing the relevant sub-station in case of sparking on electricity poles. He stressed the need to avoid paths with strong sparks during rain and water presence and to refrain from climbing trees near electricity wires. Kumar added that consumers must ensure proper earthing of electrical fittings inside houses and to keep equipment connected to them. Further, he cautioned against tampering with electrical equipment without proper knowledge.

Kumar further appealed to the residents of the State and heads of government and non-governmental offices to use electricity sparingly in both homes and offices in national and State interest. For electricity-related complaints, consumers should contact the toll-free number 1912 to provide necessary information, he said.
